

Reading Follett eBooks in Destiny Discover

The tools available when reading Follett eBooks in Destiny Discover™ were designed specifically for students and educators. They include powerful note-taking features, searching, and more.

Note: To download Follett eBooks for offline reading, use the Destiny Discover app.

The screenshot shows the interface for reading an eBook. At the top left is a blue bar with a left arrow and the text "Back". At the top right is another blue bar containing icons for a bookmark, font size ("Aa"), a book icon with a dropdown arrow labeled "Book", a notebook icon labeled "Notebook", and a help icon ("?"). The main content area features a colorful illustration of a boy in a purple shirt reaching for a bird on a tree branch, and a farmer in a brown hat and red shirt sitting on the grass with a white chicken. Text from the book is overlaid on the illustration. At the bottom left is a blue bar with a play button icon and the text "Play". At the bottom center is a white progress bar with a blue circle indicating the current page. At the bottom right is a blue bar with the text "p. 9" and "31% of 35 pages".

Click to return to search results, title details, or your Bookbag.

Add a bookmark, or access display options, book information, your Follett eBook Notebook, and Help.

Note: If you are reading a Follett eBook from a smaller window, the menu options appear as icons without text.

Click to play the eBook as audio (for compatible Follett eBooks). The text is highlighted as it is read.

Use the forward and back arrows to turn the page. Or, click and drag the circle to navigate to a particular place in the eBook.

Highlight, copy text, and use the dictionary

To select a section of text, place your cursor on the first word you want to include, and then click and hold. The word becomes shaded in blue, and quotation marks appear. While still clicking and holding, drag your cursor over the rest of the words or sentences you want to include.

When you release your mouse button, a toolbar displays additional options:

Note: To see the features supported and publisher permissions for a Follett eBook, go to the **Book** drop-down, and then select **View Title Info**.

Notebook features

Click **Titles** to view your notes for the current title or all Follett eBook titles.

Click **Filter** to choose the types of information to display, such as bookmarks and notes.

If you are viewing notes for all titles, you will also see a **Sort** option.

The screenshot shows a notebook interface for the eBook "Once Upon a Dime" by Nancy Kelly Allen. At the top, there is a blue header with the word "Notebook" and a close button. Below the header, there are two buttons: "Titles" and "Filter", both highlighted with a red box. To the right of these buttons is a blue circular button with a plus sign and a document icon, labeled "Click to add a note to the current page." Below the header, the eBook title "Once Upon a Dime" and author "Allen, Nancy Kelly" are displayed, along with a "Print" button. The main content area shows three types of annotations: a "Bookmark" with a "Delete" button, a "Note" with "Edit" and "Delete" buttons, and a "Highlight" with "Edit" and "Delete" buttons. The bookmark text is "By the time I finished picking, there were 100 pennies. Farmer Worth put the pennies in an old pickling jar. Then he gathered up some na..." with a page link "5/9/16 - page: 10". The note text is "How much money do you have if you have 100 nickels?" with a page link "5/9/16 - page: 13" and a tag "Mathc". The highlight text is "Next spring, the flower buds grew bigger and bigger." A callout box points to the "Mathc" tag with the text "Use tags to organize notes across different eBook titles. If you are viewing your notes for all titles, you can sort by tag." Another callout box points to the page link "5/9/16 - page: 10" with the text "Click the page link to jump to that page in the eBook, if it is available."

Click to add a note to the current page.

Click the page link to jump to that page in the eBook, if it is available.

Use tags to organize notes across different eBook titles. If you are viewing your notes for all titles, you can sort by tag.

Follett Audiobooks

You can stream Follett Audiobooks online.

The screenshot shows the Follett Audiobooks player interface. At the top is a blue navigation bar with a 'Back' button on the left and a toolbar on the right containing a timer icon, a volume icon, a 'Book' dropdown menu, and a help icon. The main content area displays the title 'It Happened on a Train' and 'Chapter 2 of 72'. Below this is a book cover for 'Brixton Brothers: It Happened on a Train' by Mac Barnett, read by Matt Johnson. The cover art depicts a man on a train roof and a woman on a hill. Below the cover is a progress bar showing the current time as 00:00:29 and the total time as 00:04:12. At the bottom is another blue bar with playback controls: a play button, a 15-second back button, a 15-second forward button, a repeat button, and a stop button. Two callout boxes provide instructions: one points to the top toolbar controls, and another points to the bottom playback controls.

Use the controls in the top toolbar to select an amount of time to play the audiobook or to adjust the volume.

Use the controls in the bottom toolbar to play, stop, move forward or back a chapter, or skip ahead or back in 15-second intervals.

Note: To play a Follett Audiobook from the Destiny Discover app, you must download it. The download process starts automatically when you play a checked-out title.
